**FOR IMMEDIATE RELEASE**

**October 6, 2011**

## **Monique Johnson named Director for West Holt Medical Services Foundation**

ATKINSON — Monique Johnson has joined the staff of the West Holt Medical Services Foundation as the Foundation Director.

She will work with the Foundation's Board of Directors and staff in leading the Foundation's dedication to maintaining and improving healthcare for the citizens of North Central Nebraska. The Foundation was formed not only to preserve a high quality of medical services but to develop educational related health programs in our community.

Johnson is the daughter of Norris and Marge Johnson. Her years growing up in Atkinson have given her a deep understanding of the quality of life that the area

has to offer. She knows first hand through her experience as a patient of the West Holt Medical Services (WHMS) that WHMS provides well-rounded family healthcare with respect and understanding for the physical and emotional needs of the North Central Nebraska communities.

She has nine plus years in nonprofit leadership and resource development. Johnson looks forward to utilizing her experience as a nonprofit leader in resource development and the great love she has for her hometown to lead the community to assist WHMS in the upgrading of our hospital equipment and services, the recruiting and training of medical staff, professionals and support staff and help provide WHMS future financial stability.
