West Holt Medical Services Welcomes New Doctor

West Holt Medical Services is pleased to announce that Dr. Kathy Bliese is joining its team of healthcare providers begin on March 9th. Dr. Kathy Bliese received her medical degree from UNMC, and completed her residency at Immanuel Lutheran Hospital in Omaha, NE. She has also been apart of volunteer relief medical work with the American Red Cross and Founder of the LAMB Hospital and Rural Health Development Program in Bangladesh.

Dr. Kathy Bliese is a representative of the American Academy of Family Practice Nutrition Council doing media through weekly public radio talks, television and print. Previously, Dr. Bliese worked at St. Frances Medical Center in Grand Island, NE and was the Medical Director for Employers' Healthcare Center.

Michael Coyle, CEO of West Holt Medical Services, said, "We are very excited to have Dr. Bliese join our patient care team at West Holt Medical Services. Her education and experience will greatly benefit our community."

In her spare time, Dr. Kathy Bliese enjoys sewing, knitting, crocheting, singing and playing the guitar. She currently lives with her husband in Grand Island.

For more information or to make an appointment with Dr. Bliese, please contact West Holt Medical Services at 402-925-2631. Her clinic hours are Wednesday-Friday, 9:00 a.m. – 5 p.m.
