West Holt Memorial Hospitals Cardiac Rehabilitation Program meets Blue Cross Blue Shields criteria.

The review of the West Holt Memorial Hospital Cardiac Rehabilitation Protocol has been completed. We are pleased to announce that West Holt Cardiac Rehabilitation Program meets the Blue Cross and Blue Shield of Nebraska Cardiac Rehabilitation criteria.

The West Holt Memorial Hospitals Cardiac Rehabilitation nurse, Cindy Myers, RN was at the Atkinson Senior Center Thursday to share her information and to educate to the community on keeping your heart healthy. If you or a loved one are interested in finding out more on what you can do for your heart health call Cindy at 402-925-2811.

West Holt Medical Services “Come See the Difference.”
