

2018 Annual Report

Ensuring Quality Care
Close to Home

Letter from the Director

For more than 40 years, West Holt Medical Services has served as the primary healthcare facility for generations of community members of all ages, conditions and diagnosis.

Having quality medical facilities close to home is vital for the health and well-being of our North Central Nebraska communities. Our donors are partners with us in ensuring that our community hospital remains a vital resource for patients in this region.

Through your generosity to West Holt Medical Services Foundation, several new pieces of equipment were purchased in 2018, more than \$200,000 was raised in support of the hospital's renovation and expansion project and 7 medical scholarships were awarded to local students.

Thank you for making WHMS Foundation a priority and for impacting the lives of patients at West Holt Medical Services.

With Appreciation,

Jessica Prussa
Foundation & Marketing Director

Coming Soon to West Holt Medical Services: New Specialty Clinic, Surgical Suite Addition and Laboratory.

Langan Leaves Legacy Gift

Phyllis Langan presented checks for \$10,000 each to West Holt Medical Services Foundation, St. Joseph's Catholic Church and The Atkinson-Stuart Country Club as requested by her late husband Joe Langan.

"It was Joe's hope that the people of Atkinson will continue to enjoy the benefits of these organizations for many years to come," shared Phyllis Langan.

Donation Brings Vein Illumination Technology to West Holt Medical Services

"We wanted to give back to the hospital for the excellent care our son Pat received and to help other patients whose veins are difficult to access," shared Wayne and Jan Baker.

Through the West Holt Medical Services Foundation, supporters like the Baker family can donate to an area that is close to their heart while benefiting high quality local healthcare.
